

Providing the Latest Technology in Sleep Apnea Care for 18 Years.

EXPERIENCE. OPTIONS. CARE.

18
Years

Experience

- Established in 1996, the first Sleep Apnea Treatment Centre in the Lower Mainland.
- Our President placed the first patient on CPAP in 1985.
- Our head therapist has been with SleepTech over 11 years. Our other therapists and administration are celebrating 10 to 5 years with SleepTech.
- Members of American Academy of Sleep Medicine since 1993.
- Member of Canadian Sleep Society since 1997.

Options

- Exchange CPAP masks during the trial at no charge to optimize comfort.
- Ability to take home and try the CPAP of the patient's choice 1 month into the trial period.
- Prices range from \$1300-\$2300. Includes the equipment, overnight testing, correspondences with your doctor, yearly follow-up and download of therapy data.
- Access to our therapists seven days a week if you have a question.
- Abbotsford office open until 8pm on Tuesdays.
- We are very mindful to match the therapy to your lifestyle and affordability.

Care

- Your therapist can solve any issue you may have with CPAP therapy.
- The first year after starting therapy we contact you at 3 months, 6 months and then every year. Long term follow-up ensures continued benefit.
- You can come into the office anytime.
- In-depth education is foremost with SleepTech; short and long term.
