

Providing the Latest Technology in Sleep Apnea Care for 18 Years.

# EXPERIENCE. OPTIONS. CARE.

## Experience

- Established in 1996, the first Sleep Apnea Treatment Centre in the Lower Mainland.
- Our President placed the first patient on CPAP in 1985.
- Our Head Therapist has been with SleepTech over 12 years. Our other therapists and administration are celebrating 5 to 10 years with SleepTech.
- Members of American Academy of Sleep Medicine since 1993.
- Member of Canadian Sleep Society since 1997.

## Options

- Exchange CPAP masks during the trial at no charge to optimize comfort.
- Ability to take home and try the CPAP of the patient's choice 1 month into the trial period.
- Prices range from \$1300-\$2300. Includes the equipment, overnight testing, correspondences with your doctor, yearly follow-up and download of therapy data.
- Access to our therapists seven days a week.
- We are very mindful to match the therapy to your lifestyle and affordability.
- 2 month CPAP trial.

## Care

- Your therapist will solve any issue you may have with CPAP therapy.
- The first year after starting therapy we contact you at 3 months, 6 months and then every year. Long term follow-up ensures continued benefit.
- You can come into the office anytime.
- In-depth education is foremost with SleepTech; short and long term.
